

Identifying Taylor rules in macro-finance models^{*}

David Backus,[†] Mikhail Chernov,[‡] and Stanley Zin[§]

July 15, 2014

^{*}The project started with our reading of John Cochrane's paper on the same subject and subsequent emails and conversations with him and Mark Gertler. We thank them both. We also thank Rich Clarida, Patrick Feve, Ken Singleton, Gregor Smith, and Tao Zha for comments on earlier drafts, and participants in seminars at, and conference sponsored by, New York University, the Swedish House of Finance, and Toulouse.
